

Your
POTTED ROSES
will be
available soon

FROM
CASCIO'S

America's Finest Roses—exotic patented types as well as the fine old stand-bys can be yours this summer, right from our own nursery, potted and ready to plant.

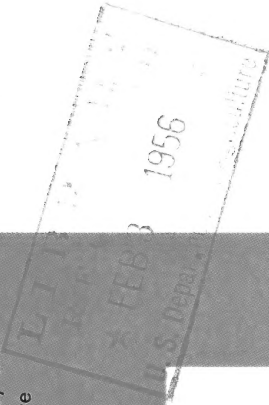

Potted roses assure you of quick, positive growth and large blooms. Pots keep the tender new feeder roots embedded in our own mixture of fertile soil until they are well started. You're sure of immediate and wonderful results.

Watch for our complete list

We will send you in the mail, very soon, a complete list, with descriptions and prices of our very finest potted roses. In it you will find the most beautiful varieties of Hybrid Teas, Floribundas, Climbers, and the glamorous new Grandifloras. Look for the list, or call now about the varieties you want for your garden.
